	Create account / Sign up

- 4. When signing up, you can choose to register for the course. If you cannot find the course from the training environment dashboard, use the link provided by the organizer.
- 5. If registrations are automatically accepted, you will get email verification after registration. If the organizer accepts registrations manually, you'll get an email after your registration has been approved. After approval, you can access the course from the training environment dashboard.
- 6. Check the course for more information or ask more information from the organizer.
